WARRENTONIAN

Gaye Haiman

Gayle -

Well, bugga, here we go - recalling  
a few of our experiences, that is ... er  
uh ... for instance ... "that" nite, if you  
know what I mean (?) And then there was  
New Years, the snow and my little gettogether!  
Oh, heck, hona!! Aww-Stott - anyway, I really feel  
like I've gotten to know you well this past  
year and your friendship has meant a  
lot to me. I hope you still think kindly  
of me after some of "those" blind dates cause  
I want us always to be the best of friends.  
I'll be thinking about you next year and  
I hope you'll think about me struggling  
up at WC -

Best of luck to a sweet, sincere girl.

Love,  
Kathy

. . . With progress comes

new additions . . .

... as the wheel turns ...

Life is a continuous metamorphosis. This metamorphosis affects us as students of John Graham High School as we progress from freshmen to seniors. Each transition is but a steppingstone to a new tomorrow. It is only through earnest effort, prudent decisions, and resolute courage that one may progress to greater nobility of achievement.

EXIT

Progress is a sense of advancement and acquisition. Having attained knowledge of truth, the SENIORS of '64 move forward to face life's challenges.

. . . To grow higher, deeper, wider, as the years go on; to conquer difficulties, and acquire more and more power; to feel all one's faculties unfolding, and truth descending . . . We, the SENIORS of '65, must step forward.

## *Dedication*

Inspiring leadership, wise counseling combined with wit and determination are only a few characteristics of a true teacher. Here at John Graham we have found such a teacher, who through sincere dedication has conveyed the priceless gifts of knowledge and inspiration to each of us.

For her rare ability to combine fun and work, to add pleasure and satisfaction to learning, to be a true friend, and to give her all to us; we dedicate THE 1965 WARRENTONIAN to you,

Miss Carolyn Teachey

Experience was mixed with inexperience on August 15, 1964, when forty-five boys reported for gridiron drills. Under the direction of our coaches, the boys molded a well-balanced attack both offensively and defensively. Pride in their team and a love for football enabled our boys to end the season with a 6-2-1 record. John Coleman and Willie Norwood honored our team by being chosen to the All-Conference and All-East Teams.

November 20, will ever be remembered in the minds of the Junior and Senior girls of John Graham. The mud, which carpeted the field, only added to the thrill of their first gridiron challenge. Although the Juniors edged out the Seniors with a 6-0 victory, the hard fought battle etched unforgettable memories in the hearts of us all.

## *Yellow Jackets*

Hurt by graduation, the Yellow Jackets were able to rebuild their team in time to defeat Middleburg in the first game of the season. Constant practice lead by Coach Jimmie Webb helped make our team a threat for the conference championship. Our boys have worked hard to correct many mistakes with hopes for the district playoffs. The team has been hampered by recurring injuries and has depended on a fine group of dependable substitutes. Good support and a desire to win will help make the Yellow Jackets a respectable team.

## *Baseball*

In the spring many young men's fancy turn to that of baseball and girls. All necessary equipment, bats, balls, and gloves, are dusted off for spring practice conducted by coach Jimmy Wilson. Many great things are predicted for the season, having most of the nine starters back. With teamwork and enthusiastic spirit, our boys can compile a commendable record.

Gayle,  
Well I don't know where to begin because there is so much I can write. I do want to say this that I certainly have enjoyed cheering with you this year. I hope I haven't lost a friend by it. And I also hope you didn't think me too hard on you either. Just think of better. I hope we also be working together next year. "Maybe so!" Gayle said to wish you all the luck that any girl could desire. May God let you have it. I won't ever forget all of those parties we have had. "Sororids". Those geometry days. I always remember and will never forget that.

... As the wheel turns ...

The year 1964-65 slowly sinks into the twilight of past memories. All our yesterdays are merely dreams, but on the horizon dawns the vision of tomorrow. For today, a life well-lived makes every yesterday a dream of happiness and every tomorrow a vision of hope.

Mayle,  
I have really enjoyed your friendship throughout the last few years. We have really had some great times in and out of the classroom. It seems that every time we get together something always happens to disturb the relationships. At any rate maybe things will get better before too much longer. This year I guess I've been able to get to know you a little better than last. I guess you know why!! Here's wishing the friendliest and greatest gal I know the very best that life has to offer.

- Gayle -

I've enjoyed going to school with you this past year. History has been a blast hasn't it? You had better stay off the floor, if you know what I'm talking about. You are a very good-looking girl and deserve the best in life. May the future bring you much happiness.

Love ya,

Mayle,

Best of what life has to offer to a  
well classmate. I've enjoyed going  
to school with you for all these years.  
Just think, next year this time it  
will almost be over. I also enjoyed  
going off at graduation practice. We  
were buried at sometimes but that  
was care? We still had fun. Right?

Good luck and be good!

Gayle,

Well, I must say we have had some very wonderful times this year. You are a very true friend and I hope we will remain close friends throughout our lives. If I mention any of our adventures I might expose us. Remember those choir practice nights!?! The only time we seem to have any disagreements is when we double-date! Remember F.S. & G.F. ??!! Those are two I'm sure we both want to forget. Gayle, you are a very sweet and wonderful person and I am really looking forward to next year and some more wild times. Don't forget, we will have to have another slumber party before school is out. I am looking forward to this summer very much. Lets just hope we both don't end up sitting at home the whole time. Gayle, I must say I will never forget the Sat. morning you came and woke me up to tell me you had me a date for Sat. night. You were wonderful to fix me up with Gilbert. I'm only sorry things worked out better for Gilbert and I than they did for you and Johnny! It will! I want to wish the very best of luck to a very wonderful and charming person.

Your true friend always,

Hayle,

We've had some pretty great times this year. We haven't always been little angles as you know. We've double dated a couple of times. Sometimes our dates disagreed. Remember that night? How about the night of the Rubins party in Henderson I'll never forget the afternoon we went to Va. with D.S. and <sup>Joe Horton</sup> We've had some good times on Sunday afternoon in Henderson too. I never want to go riding with Randy Hunt again!!! I've really enjoyed being your mom's "third daughter" this year, I just hoped wasn't too much trouble. Your fine cheering has been one of J.C.H.S.'s greater assets. You can't help it if you're a little <sup>spastic</sup>. No seriously you were one of our best cheerleaders. I hope I'll see you jumping around on the basketball court next year, too. maybe if we're lucky will both get accepted at U.N.C.G. We could really give Greensboro a fit. But seriously you have been one of my dearest friends this year. I hope that we will remain good friends for a very long time. Here's wishing the very best that life has to offer to a cute and sweet girl. I wish you all the happiness in the world. Keep up the good work and and maybe someday you'll see your name up in lights (Bayles Bar and Grill) K.O. seriously if you keep trying I'm sure success will come your way.

Love ya,
